3. You will be prompted to **enter your student's passcode**. Your student's passcode was provided in the student info email. Your student's **passcode is a combination of student's first name (all lower case) followed by a randomly generated 5-digits number (no spaces)**. This passcode can only be used one time and is specific to your student. Please protect it appropriately.
4. Once you've entered the passcode, click on the "**Continue**" button.
5. You will then be prompted to enter your **student's first name, last name, and email address**. **IMPORTANT: For the email address field, please enter parent's email address**. This is the email address that our system will use to send the MCT test result. See picture below.

6. You can then click on the **“Start”** button.
7. You will then see an **“honorable student”** acknowledgement. Please see the picture below.

Read the following notes before you start.

As an honorable student,

- I will be working on this test independently.
- I will not be using a calculator or other calculating devices.
- I understand that once I start, I have 60 minutes to complete the test.
- I am allowed to use scratch papers to work on the problems.
- I can skip questions that I do not know how to answer.

After completing the test, I will uphold the integrity of the test by not sharing any question to any other individual.

By clicking the START button, I attest that I understand and agree to all of the above notes.
